In the way of remarks we wish to say that we have been requested by the State Tax Commission to use every possible care in keeping the tax rate down. This we have tried to do feeling that the taxpayers should receive consideration at the present time.

There has been a large increase the past year in the State and County taxes, also in our Town Charges as the report will show and these will probably be increased the coming year.

We recommend that \$4000 be appropriated from funds on hand to retire Cascade Water Bonds.

We also recommend that \$5000 be taken from deposit now in the Gorham Savings Bank to retire New Municipal Water Bonds, these to be retired as follows: \$2000 in May and \$3000 in November.

We recommend the amount of \$700 be appropriated and raised to build a sidewalk on the overhead bridge at Cascade.

The Committee for the Centennial Celebration request the amount of \$2540 for this purpose, and we recommend this amount be appropriated and raised.

We recommend the sum of \$100 be appropriated and raised to help outfit the Drum Corps.

We recommend the amount of \$350 be appropriated and raised for the purchase of a new Lawn Mower for the common.

We recommend the amount of \$200 be raised for the Ball Team.

It is estimated that it will cost about \$2500 to maintain the present Dump and pick up garbage, etc. As there appears to be an unexpended balance from last year of \$884.12 we recommend the amount of \$1700 be raised for this purpose.

We recommend the amount of \$500 be appropriated to be used by the Firemen if the Firemans Convention is held in Gorham.

On a signed petition asking for the large lights to be extended on Lower Main St. to the Peabody River Bridge, also a sidewalk from Fred Leeman's to the Underpass the Budget voted not to recommend this be done at present.

We recommend the amount of \$12000 be appropriated and raised for Town Maintenance, and that out of this amount the following streets be suitably constructed: Church Street at Cascade, Union St. and Highland Avenue off Union St., in Gorham

On petition asking for a Sidewalk on Union St, and Highland Ave. the Budget voted not to recommend this be done at present.

Following is a list of our Budget for the ensuing year and if no new projects appear other than recommended below, our tax rate should be about \$30 per \$1000

When not busy with nursing calls the nurse has spent as much time as possible in the schools with vision tests, weighing and measuring and pediculosis. As there was no money available the children with defective vision could not be cared for.

Many welfare visits have been made and clothing given whenever needed. The local Red Cross, some organizations and the generosity of the townspeople have made this possible.

The nurse wishes to thank all who have so kindly assisted and cooperated with her in this work.

Respectfully submitted,

MARIE STONE, R. N.

Report of Dump Committee

We, the undersigned, your committee for a town dump, do hereby respectfully submit our report.

We were appropriated the sum of \$3,000.00 to procure a dump and collect garbage. As you know we leased a piece of land from the American Reality Co. for a dumping ground at \$110.00 per year for 1 year or more. We let the contract to Ernest Houle and hope that collections have been as satisfactory as could be expected for the first year.

Below is an itemized account of the bills we have had to pay up to Feb. 1, 1936, the end of the town's fiscal year.
